

# NUS High CCA Fair

2023

*brought to you by the  
NUSH Journalism Club*

# foreword

The NUSH CCA Fair is an annual tradition that typically involves big crowds, raucous laughter and mass dances.

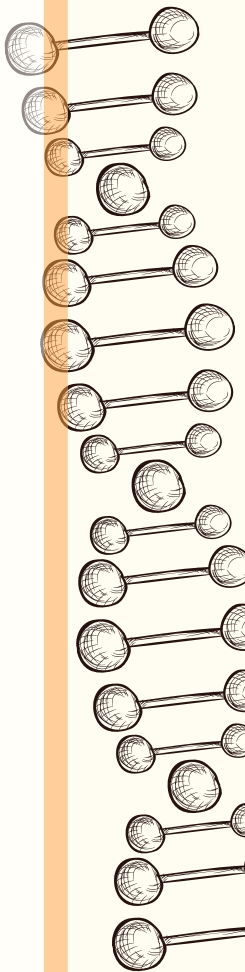

While it was a virtual (af)fair in recent years, the CCA Fair which older students would know and love, is back. Alongside the excitement, we hope this E-brochure, which acts as an information portal and gateway with its social media and video links, is able to lay out the vibrancy and opportunities offered by our plethora of CCA.

As you scroll through this E-brochure, a word of advice between us and you? Follow your dreams. Do something cool. Remember to make informed choices but do not be afraid to try out something new. Commitment levels vary between CCA groups and ultimately it's up to you how much you want them to be a part of your life; whether you hope to train twice a week, participate in competitions, or just learn a new skill.

The CCA groups await you in clusters with twinkling invitations, and one may glow brighter than the rest – so choose wisely and bravely, and you will find a new home to belong to! We hope it warms and fuels you, through silent and lonely academic odysseys.

Good luck and happy selection!

With love,  
NUSH Journalism Club  
(on behalf of all CCA groups!)

# sports

You know you have to focus. You are playing a game here, and you fully intend to win it. Perspiration beads your forehead as heat radiates from the warm crimson topsoil, harsh climate asserting itself through your mounting fatigue — yet a blooming satisfaction and triumph reveals that this just might be where you belong.

# table tennis

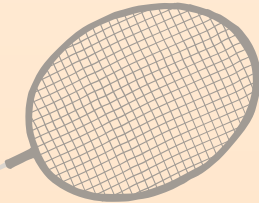

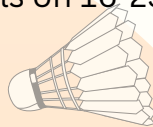

*"ping pong ping pong"*

Do you enjoy action-packed games? Do you find yourself mesmerised by the lightning-fast smashes and deadly slices from Table Tennis pros like Xu Xin and Ma Long?

We believe teamwork makes the dream work. Join us now! We will guide you, one point at a time.

Come for our CCA trials on 16-25 Jan!

# badminton

The world's fastest racquet sport - it ain't for the faint of heart.

Passion. Fire. Skill.  
"Viktor-y."

JOIN US.

*"KEAN YEW MAKE A BIRD FLY?"*

# netball

*"Life is Better With Goals!"*

Netball started in 2006 and has since become an enjoyable and popular all-girls CCA. We are a family of 50+ passionate and fun-loving netballers who train and play hard together while also having fun! Click the links to find out about us and to register your interest!

Why join us? We are the only all-girls CCA in NUSH! Improve your physical and mental fitness with regular workouts and game analysis! Join us to become the best version of who you can be!

In the event that it rains on the 16th, the try-outs will be postponed to 27th Jan (Friday)!

## water sports

Q: What do you get when you combine basketball, canoeing, and waterpolo?

A: Canoe Polo! We are a small family of about 20 players who love getting fit and having lots of fun together! :)

*"One Drop, One Goal"*

Why join us?

- We are the only secondary school/junior college playing Canoe Polo!
- Get stronger and have fun!
- Great communication and teamwork!

Requirements:

- Y3s–Y6s (Y1s can start training to join!)
- Basic fitness
- Water confidence
- Good attitude!

# basketball

*"Striving for Excellence with Discipline"*

Why join us?

- 2 Training Sessions a Week
- Holiday Training
- Teammates who go through thick and thin together
- A family that learns and wins together
- Values-in-Action sessions (Project nusHoops)

## track and field

Running is a deceptively simple task. If you want to push your limits and challenge yourself like never before,, there is no better place to do so. We consistently have runners in national finals every year. Are you down for this?

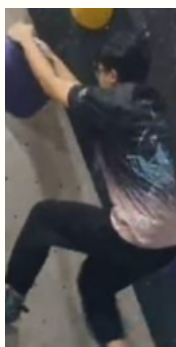

*"Faster and Stronger"*

odac  

*"Outstanding, Daring,  
Amazing, Committed"*

Climbing - Top Rope, bouldering, we strive to be beasts on the wall

Cycling and kayaking - When outdoors, we aim to conquer both land and sea.

We often go out of our comfort zones into the outdoors for fun-filled adventures. Camping, hiking, cooking, we do it all! We constantly challenge ourselves and push past our limits, and we yearn to try everything new! We want to expand our family of adventurous individuals and we want you!

## tennis

We are a team of active students sharing a strong passion for the exciting and dynamic sport of tennis. Consisting of competitive and recreational players, we learn, train and play together.

*"Love to Serve"*

### Training Schedule:

- 1 on-court training session and an online learning session every week.
- Weekly trainings with coach to sharpen your tennis skills.
- Inter-school and intra-school competitions (if allowed) that enrich your experience and enhance your team spirit, such as the National SchoolGames.
- Fun bonding time with TennisFam.

# football

*"Football is played with the head.  
Your feet are just tools."*

A challenging sport that improves both your coordination and physical fitness. Imagine the adrenaline rush of dribbling the ball past the defenders and the goal keeper!

Why join us?

- Intensive training sessions that keep you fit.
- Exposure to external coaches and players.
- Challenging matches and friendly tournaments.

Instagram Page!

# uniformed groups

As you sprint further, you reach marble, stark and pristine. You soon see why — hear why, really, if the rhythmic footsteps are to be believed. A cursory glance reveals the fleet of gleaming, polished silver robots, which execute flawless maneuvers on their march towards distant skyscrapers. Your inner commando bids you to advance.

# st. john brigade

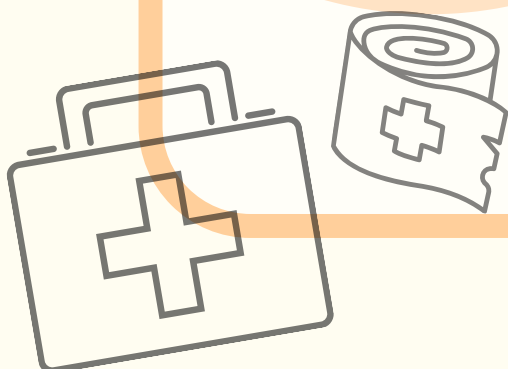

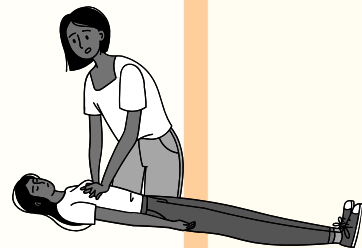

*"Pro Fide, Pro Utilitate Hominum."*

Although St John Brigade (SJB) has made its mark for over 900 years, our core tenets have never changed. We provide cadets with an enriching gamut of courses that nurture them into reliable First Aiders and engage in meaningful VIA projects to give back to the community.

## Why join us?

- Learn first aid and home nursing.
- Cultivate discipline through footdrills.
- Grow through leadership and life-saving courses.
- Enjoy many opportunities for public duties.
- Learn new skills through the Cadet Proficiency Badge Scheme.

# scouts

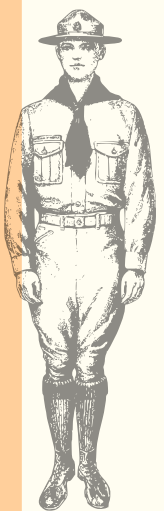

*"Be Prepared."*

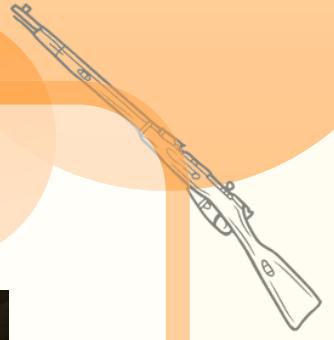

Scouting is a global Movement of self-education for youths. Scouting offers a wider range of skills, activities and services that simply cannot be found in any other single organization. The Scout programme is centred around outdoors and adventure, global citizenship, leadership, fitness, creativity, beliefs, and all-rounded character development.

Join us because you want to:

- 1) supercharge your leadership skills through opportunities to lead and plan activities,
- 2) learn practical life-skills and outdoor survival skills,
- 3) forge friendships with scouts from other schools as well as from around the world.

# national cadet corps @

*"Train to Push. Push to Lead. Lead to Serve."*

NCC is a well-established uniform group that builds up cadets mentally and physically through military-related activities to produce world-class youth leaders who are ready to face challenges in the future.

## Why join us?

- Team bonding games.
- Urban operations (clearing terrorists!).
- 3D2N annual school camp.
- PDS (rifle twirling).
- Amoy Quee campus camps (rappelling, high elements, paintball, archery).
- Physical training.
- Drill training.
- SAR 21 rifle live firing.
- Mount Ophir overseas expedition.
- Basic diving course.
- International cadet exchange programmes (eg. desert trekking in India).
- Values-In-Action programmes (eg. Mangrove cleanup).

# performing arts

As you march on to your next destination, lush fields of green beckon you. Damp soil gives beneath your foot, loosing sweet floral scents and a hundred songbirds' symphonies. Small creatures flit and dance and flutter, displaced by the breeze and settling into formation through some ethereal ceremony. It all calls to you. You muse, and you don't speak its language — perhaps you can learn it.

# choir

"Four Parts, One Voice, One Choir"

Have you looked at your CCA as the best way to relax after a stressful day with a wholesome and supportive community? Then look no further, as choir is the perfect place for you. We are a close-knit family made up of people who love to share the gift of songs with others. We have great times performing at various places like Victoria Concert Hall, CHIJMES, SOTA and NUSH (of course), bonding with members and even using our talents to serve the needy! Joining us will be a decision you'll never regret, that's our guarantee :)

(p.s. knowing how to sing is optional, we'll teach you that :D)

Why should you join choir?

- Extremely fun CCA sessions on Mondays and Fridays you'll never feel like missing!
- Super duper cool performances at super duper cool places!!
- A great family who'll have your back no matter what :DD

# drama

"Duty performed beautifully, beauty performed dutifully."

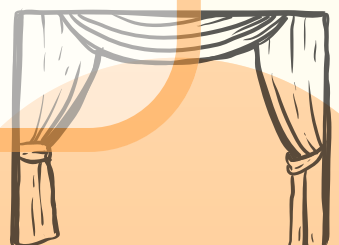

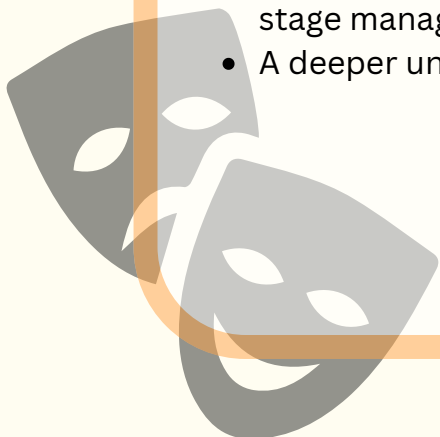

"Theatre develops the performance while Drama develops the person."

Want to shine like a star? Or do your talents lie in behind-the-scenes production? Fret not, join us and we'll find an outlet for your talents!

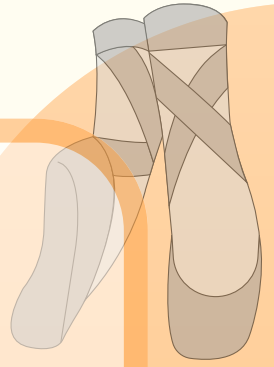

Why join us?

Members will gain:

- Performance and production skills.
- Exposure to various theatrical styles, scriptwriting and stage management concepts.
- A deeper understanding of themselves and of humanity.

# dance

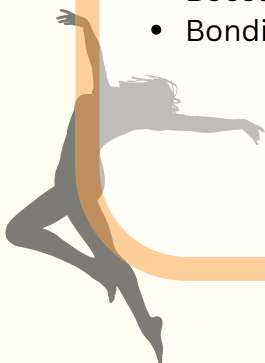

*"To watch us dance is to hear our hearts speak."*

Dance; a perfect mixture of sports and arts. Expose yourself to a wide variety of genres from contemporary to hip-hop and K-pop.

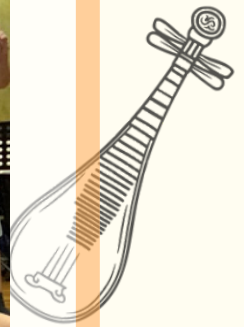

Why join us?

- Internal and external performance opportunities.
- Boost your confidence and have fun at the same time!
- Bonding activities, camps and VIA!

# chinese orchestra

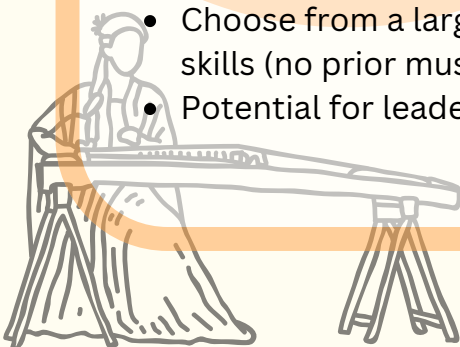

"Performing music that touches the heart"

Chinese Orchestra performs pieces from many different genres including Classical, K-pop, video games soundtrack and more! Join the close-knitted Chinese Orchestra family for an amazing journey in music.

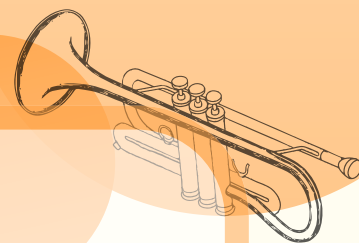

Drop by CO room (Blk B Level 5, next to Art room) on 16 Jan 4-4:45pm to experience the variety of instruments.

## Why join us?

- Opportunity to perform in both internal and external performances and competitions such as the Singapore Youth Festival (SYF) and our biennial family concert.
- Choose from a large selection of instruments to learn new musical skills (no prior music background is required).
- Potential for leadership development.

# school orchestra

"Many sounds. One heart. One orchestra."

We are an integral part of school and one of the most active student organizations - under the guidance and baton of Dr Emilia Wong, Head of Department (Music & Art). Join us to receive the unique "orchestra experience" which will make your school life enriched, meaningful and memorable. Open to all interested and committed students (preferably with instrumental background) who demonstrate the desire, the passion, ability and proper attitude to be a member of the group.

Members will:

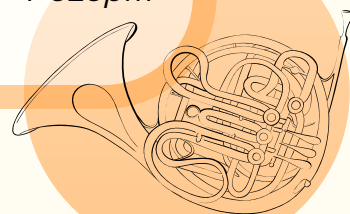

- (a) foster music appreciation and understanding (Cultural)
- (b) have an avenue for emotional expressions (Recreational)
- (c) develop intuitive and discriminating listeners (Educational)
- (d) lend colour and atmosphere to community (Service)
- (e) interact positively as responsible members (Citizenship)

Audition:

Date: ONLY MON 16 Jan 2023, 4-6pm

Venue: Music Room 2 (opp Theatre)

*Sign up for Audition in Hall (Orch booth) on 13 Jan 2023, 4-515pm during CCA Fair.*

Click to view a link!

Click to view an  
Instagram Page!

# clubs and societies

One last stop. As you cruise to your final destination, you look out and see a citadel of looming towers and rising spires, concealing amidst them labyrinthine corridors and snaking passages, all glinting coldly in a silver sky. Constructions each dedicated to a singular purpose, from watchtower to hangar to observatory to courthouse, shaping a skyline whose strange curves afford it a certain beautiful intensity.

# astronomy

*"Eat. Sleep. Astronomy."*

The astronomy club presents a good opportunity for those who are interested in observing the night skies and learning more about the cosmos.

Why join us?

- Exciting weekly practical sessions to gaze at the sky through high power scopes!
- Lessons for aspiring astronomers and physicists by enthusiastic seniors.
- Lots of opportunities to represent the school in Astro competition.

# robotics

The Robotics club aims to nurture our members' skills in construction and programming through engaging missions and training sessions. Our members are given a wide array of platforms such as Lego, Vex and Arduino. We hold our CCA sessions in the 101-104 classrooms!

*"All Geared Up!"*

SIGNUPS FOR SELECTION TRIALS (FIRST LINK)  
CLOSE ON 15 JANUARY, 23:59.

# debate

*"Defend the truth well. Every word counts."*

Learn about pertinent world issues.

Hone your debating skills. Participate in debate competitions.

Improve your public speaking skills, vocabulary range and current affairs knowledge through both virtual and on-site activities.

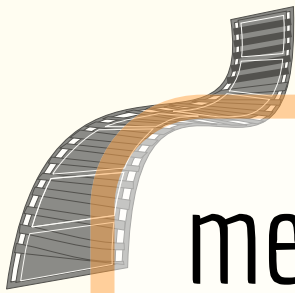

At the Debate Club, we believe in the power of using words to motivate, persuade and entertain the audience. We allow our members to articulate their opinions and engage in discourse on major issues around the globe.

Check out our debate showcase at E2-14.

Tryouts: 16th Jan 4-6pm / 27th Jan 4-6pm

Sign up here:

# media

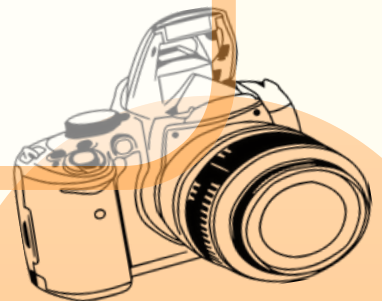

*"3 sectors. 2 perspectives. 1 CCA."*

"Your Event, Our Passion, Every Detail Matters."

Photo. Video. AV. These three combined unite us as one CCA - Media. We capture life, create art, preserve memories.

Why join us?

- AV: Expect to work with professional-grade event equipment which most people may not even have seen before.
- Videography: You can explore and gain valuable skills in the production of videos from start to finish, giving you a good glimpse into the film industry.
- Photography: You can develop a passion for the art of photography ranging from photo taking to photo editing.

# youth flying club

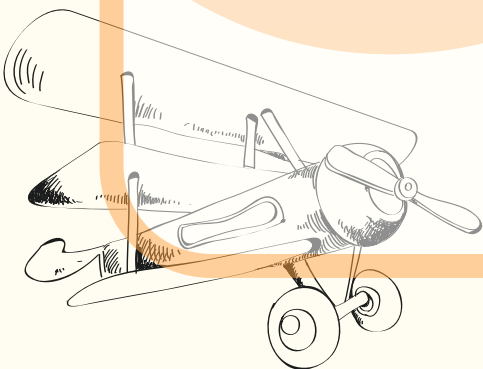

*"Dare to try, Learn to fly."*

We are a group of passionate students interested in all things related to flight! Members get to explore their interest in flying, ranging from building hand-thrown gliders, to remote-controlled planes or quadcopters (drones)! Members will also be taught basic aerodynamic concepts to broaden their horizon into the world of flight!

## Why join us?

- Joyrides in the RSAF's C-130 and Chinook, as well as SYFC's DA-40.
- Entitled to special courses held by SYFC.
- Compete in an annual flying competition.
- Design, build and fly your own flying machines.
- Have fun!

# chess ♣

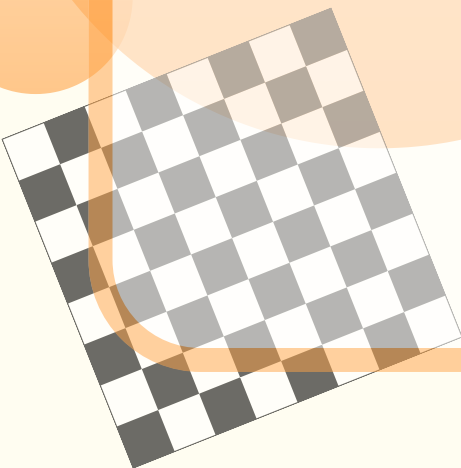

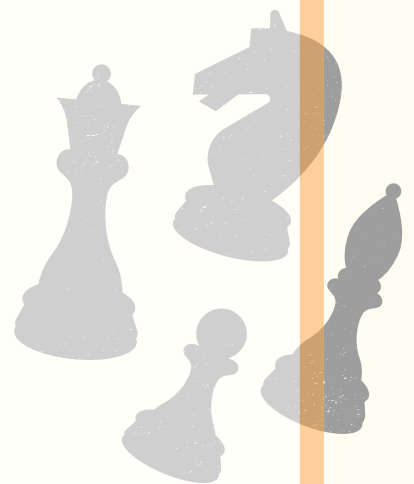

*"Play the opening like a book, middle game like a magician, and the endgame like a machine"*

The Chess Club consists of two sections: International Chess and Chinese Chess. Each session comprises a lesson with our professional coaches and free play. During lessons, our coaches teach us new concepts to sharpen our gameplay. After that, we have fun sparring against and learning from one another.

Why join us?

- Meet others passionate about chess
- Training by professional coaches
- Various competitions available for all members
- Many medals to be won!

Last but not least, this e-brochure was brought to you by...

journalism ✨

*"Write something worth reading."*

The NUS High Journalism Club chronicles the school's journey by reporting on key school events, and writing interesting and commemorative trivia pieces that capture the school spirit/culture. We also explore creative writing and even produce podcasts reviewing movies and books!

Why join us?

- Develop your writing skills for a variety of purposes.
- Collaborate as a group to raise the literary consciousness of the wider school community.
- Gain access to writing competition opportunities.
- On-site CCA sessions are held once a week every Monday; there are occasional online asynchronous meetings on Fridays.
- Find a quiet haven amongst a group of warm book, movie and music aficionados.
- Meet the students who compiled this brochure (looking forward to meeting you! <3)

If you are interested in joining us and would like to show us your work, do send your pieces in through the link above!

# venues

## **CCAs Venues**

### **Clubs & Societies**

Astronomy Club	Physics Dry Lab, Observatory, E5-07, E5-08
Chess Club	E5-07, E5-08, E5-12, E5-13
Debate Club	E2-10, E2-11, E2-14, E2-15
Journalism Club	D5-16, D5-17
Media Club	Computer labs 1 & 3, F1-27
Robotics Club	Physics Dry Lab, D1-05, D1-13, D1-14
